Where: Dewan A, Putrajaya International Convention Centre (PICC)

Who: YABhg. Tun Dr. Mahathir Mohamad

Target Group: Public servants, NGOs, academicians and corporate organisations

About the Razak Lecture Series

The Razak Lecture Series, an annual event organised by RSOG is a knowledge sharing platform for Malaysian leaders and the public. It features prominent statesmen and renowned leaders in the field of public service and public policy, sharing and exchanging valuable ideas and thoughts on contemporary challenges and issues affecting leadership and public service at national and global level. The programme is indeed by far, the centrepiece of RSOG programmes as the lecture series intellectually converge two of the School's main thrusts; leadership and public service.

About the Speaker

Tun Dr. Mahathir Mohamad opened the country to foreign investment, reformed taxation, reduced trade barriers, the privatisation of numerous state-owned enterprise, besides creating a world-class physical infrastructure. He also sought to bridge Malaysia's ethnic divides by increasing general prosperity. In 1991, he launched the New Development Policy, which emphasised industrial and commercial development and the elimination of poverty. Under Tun Dr. Mahathir's leadership, Malaysia developed into one of the most prosperous and dynamic economies in Southeast Asia, with a burgeoning industrial sector, an expanding middle class and enhanced quality of life. Malaysia also played a more active role in the international arena, acting as the voice for developing nations in Asia and Africa. Always with one eye on the future, Tun Dr. Mahathir Mohamad unveiled Vision 2020 in 1991, a blueprint for Malaysia's journey to becoming a developed economy and a mature democracy by the year 2020.

Objective

To share Tun's vast experience and thought-provoking ideas on the Malaysian approach to public service leadership.

Programme Outcomes

1. Interactive experience between the participants and the distinguished speaker in exploring the challenges faced by both leaders and followers in ensuring sustainable leadership outcome.
2. Participants of the lecture also gained greater insight on the evolution of leadership selection and qualities of good leadership.
