and
The Razak School of Government

Date and Time

24th August 2013

Hilton Hotel , Petaling Jaya

About the Forum

The purpose of this Forum is to find among the more obvious issues relating to women and children, especially in the discrimination and persecution against the group. The Forum is aim to identify the measures and proposals to address discrimination issues as well as to look at NGOs view and desire in terms of the roles and functions of this given department and agencies in implementing and enforcing the law.

The Forum aims to bring together women leaders in the government, business, academia, civil society, NGOs, children related agencies and media to discuss critical issues, challenges as well as to promote critical thinking on the future facing women and children in this nation. The event is strictly by invitation and targeted for about 50 participants only.
